

# BUILDING BETTER COMMUNITIES

## Constructive Solutions

Did you know, as construction industry members of the Northwest Utility Contractors Association, you have access to exclusive employee benefit options?

In 2016, NWUCA joined the Contractors Benefit Exchange, an OR & SW WA based Association Health Plan, so that our member GC's, Subs and construction material suppliers serving the community and beyond could have more affordable employee benefits and choices. The program offers Providence Health Plan, Kaiser Permanente NW, Samaritan Health Plan Ameritas & LifeMap to member employer groups with two or more enrolled employees.

### Comprehensive Benefits

- Group Medical, Dental & Vision plans
- EAP & LifeBalance included with Medical
- Bundling Discounts & Alternative Payment Arrangements available
- Ground & Air Ambulance coverage options

### Simplified Administration

- Online Enrollment Platform, Consolidated Billing & Payment
- Full Service COBRA Administration
- Employer Compliance Support including Notices, Disclosures & Filings
- Composite Rates
